## The Story Behind the May You Know Joy Brand

As I embarked on a harrowing journey to recover from my struggle with addiction some 11+ years ago now, I realized how much energy I'd put into numbing and self-destruction. I wondered what I could do & what kind of life I could create if I put that energy into creating a life of meaning and joy?

Inspired by the many small, simple inspirations that helped me shift my days, I launched May You Know Joy in 2015 with a mission to share joy and intention setting with the world.

Today, we have a beautiful and growing product line. Each product is created to support us on this incredible journey, inspiring our most intentional living and connecting us with our greatest joy.

It's the simple actions we take every day can have a significant and cumulative impact on our mindset, our overall well-being and the world around us.

### "INTENTIONAL DAYS CREATE A LIFE ON PURPOSE"

We now enjoy national partnerships and distribution in over 300 boutiques, spas and wellness centres worldwide. Our cards are in gift boxes, subscription boxes and are popular corporate and employee gifts. We welcome the opportunity to work with you too.

The importance of our daily practices and holistic well-being is becoming mainstream and we couldn't be happier. Let's spread joy together!

Wishing you joy & great adventures,

*Adrienne*

# New Decks

We have 2 new card decks for early 2023. They are New Beginnings and Celebrating You!

New Beginnings is a gorgeous floral design and is created to help us navigate life's many new beginnings with an open heart and a sense of great possibility.

Celebrating You is a birthday-inspired pep talk. Sometimes we all just need a little pick-me-up or want to send inspiration. This cheerful deck does just the trick.
